NEWS RELEASE

MaXware Honors eB2Bcom Asia Pacific with Partner of the Year Award

TRONDHEIM, Norway — November 28th, 2006 — MaXware AS, a leading global provider of identity management, virtual directory and federation solutions, announced it has named eB2Bcom (Asia Pacific) Pte Ltd of Singapore as its Partner of the Year for 2006. This honor is extended to eB2Bcom Asia Pacific for its exceptional performance in the SE Asian market and for the company's commitment to delivering outstanding marketing, sales and support to customers as a preferred MaXware distributor.

"eB2Bcom Asia Pacific earned the MaXware Partner of the Year 2006 recognition because of the team's ability to understand the value of our solutions and what they bring to the SE Asian market – most notably the secure and efficient access and management of identity information across globally distributed directories, databases and other data repositories," said Tore Wold, Founder of MaXware. "We're pleased to honor eB2Bcom Asia Pacific with this award and look forward to continuing to build traction for MaXware's solutions in SE Asia through eB2Bcom Asia Pacific support."

eB2Bcom Asia Pacific is an innovative independent company specializing in the development, distribution, implementation, reselling and support of best-of-breed products for identity management, directories, secure messaging, and data security solutions for the Defence, Homeland Security, Health and Government sectors. The company was founded in 2004 and has a close working relationship with its sister organization eB2Bcom Pty Ltd in Australia which was established in 1996. Through its partnership with MaXware, eB2Bcom Asia Pacific has provided a range of identity management solutions to a number of large customers in the government and defense sectors in the SE Asian market.
